Mr. Thomas M. Coleman, P.E.
Public Works Director
Public Works and Water Resources Department
City of Newark
220 South Main Street
Newark, DE 19711

Subject: Notice of Intent to Close
Reference: City of Newark – Solid Waste Transfer Station; SW-04/05
14 0708 SW02.B City of Newark Transfer Sta Closure Plan Approval SW-04-05

Dear Mr. Coleman:

The Department of Natural Resources and Environmental Control's (Department) Solid and Hazardous Waste Management Section (SHWMS) has reviewed the City of Newark's Closure Plan for the solid waste transfer station at Old South Chapel Street, and the sampling plan as an addendum to the closure plan, submitted to our office on June 23, 2014 by your consultant, Johnson, Mirmiran & Thompson (JMT).

With the submission of the sampling plan, the SHWMS deem the plans for sampling and closure administratively complete and meeting the necessary requirements under Title 7 DE Admin Code 1301 Regulations Governing Solid Waste Section 10.6 Cessation and Closure for Transfer Stations.

A public notice will be published in the Newark Post and News Journal newspapers on Friday July 25, 2014 and Sunday July 27, 2014 respectively.

If you should have any questions in the meantime, please feel free to contact David Perrego at (302) 739-9403.

Sincerely,

Nancy C. Marker
Environmental Program Administrator
Solid & Hazardous Waste Management Section

Delaware's good nature depends on you!

DNREC – Solid & Hazardous Waste Management Section

LEGAL NOTICE

**City of Newark Solid Waste Transfer Station
Application for Facility Closure Solid Waste Permit (SW-04/05)**

Notice is hereby given by the Department of Natural Resources and Environmental Control that the City of Newark Department of Public Works and Water Resources has applied to close its solid waste transfer facility, located Old South Chapel Street, in Newark. The facility operated under solid waste permit SW-04/05, but has ceased operations as of September 2013. The city intends to permanently close the facility.

The closure plan and associated documents are available for review during business hours at DNREC's Solid & Hazardous Waste Management Section office at 89 Kings Highway, Dover or at the City of Newark Administrative office at 220 South Main Street, Newark. The plan is also available online at <http://www.dnrec.delaware.gov/dwhs/SHWMB/Pages/SolidWasteFacilities.aspx>. For additional information or an appointment to review the closure plan in Dover, please contact David Perrego, WHS/SHWMS, 89 Kings Highway, Dover, DE 19901, (302)739-9403.

A public hearing on the above application will NOT be held unless the Secretary of DNREC, in care of David Perrego, receives a meritorious request for a hearing by August 11th, which is within fifteen (15) days from the date of this notice. A request for a hearing shall be in writing and shall state the nature of the issues to be raised at the hearing. It must also show a familiarity with the application and a reasoned statement of the activity's probable impact.
